RE: Lamar Advertising signs at 93 South @ Gravel Pits, Ravalli Cty, MT

Dear Commissioners:

Lamar holds an easement on the above referenced property which grants it the right to relocate its signs on the remaining easement area. The relocation will require Lamar to move its signs outside of the new Hwy. 93 right-of-way. Lamar has received no County opposition to its intent to move the signs outside of the right-of-way line. We enclose copies of letters to similarly situated property owners in which Ravalli County granted the same permission. This letter shall serve as notice of Lamar's intent to rebuild these signs on the easement area in the coming months.

Sincerely,

Wendi B. Loup
